Adviza Consultants

Our approach and philosophy is very simple, we aim to always provide quality and value for money following a clear ethos:

Professional

Adviza delivers expertise to a wide client portfolio in our chosen specialist areas using proficient, skilled and experienced consultants who have an understanding of real world issues and can consistently exceed our clients' requirements.

Reliable

Close working relationships and partnerships are developed based on trust and reliability. Adviza puts its clients' goals first and provide the most appropriate people and solutions to help achieve results.

Pragmatic

Adviza provide the most appropriate advice and solution for your organisation based on our extensive experience. Our Consultants will consistently ensure that recommendations and solutions are proportionate, sustainable and practical.

Knowledgeable

Adviza works closely with industry bodies, academia and standards groups to develop its knowledge and understanding of current and future developments in the marketplace and foster consistency and good practice within the industry.

Independent

Adviza is independent of any hardware and software vendor and provides objective advice and solutions to best meet our clients' requirements.

Our Capability Areas

Adviza provides services in the following areas:

- Information Security
- Government Information Assurance (IA)
- Risk Management
- Business Continuity Management and DR
- Compliance (ISO27001, BS25999, HMG etc.)

Our People

We have recruited people that know how to deliver this, not only due to their skills, knowledge and experience, but also their business understanding, professionalism and practicality.

Our team includes CESG Listed Advisor Scheme (CLAS) consultants and lead auditors in major industry Standards such as ISO 27001 and BS 25999. These consultants combine proven and practical skills across sectors to provide the most appropriate service and best value to our clients, including a complete range of services encompassing:

- Consultancy
- Interim Management
- Project and Programme Management
- Audit, Assessment and Health checks
- Training
- Implementation

Our Promise

Adviza guarantees it will provide added value to each and every assignment, whilst ensuring its consultants deliver professionalism, reliability and pragmatism to meet your requirements.

Adviza is a subscriber to the CESG Listed Adviser scheme, a member of the Information Assurance Collaboration Group (IACG), part of the Security Innovation & Technology Consortium (SITC) and a member of the BSI Associate Consultant Programme (ACP).
