

PRESS RELEASE

Adviza Consultants Ltd

**ADVIZA CONSULTANTS LTD JOINS
SECURITY INNOVATION & TECHNOLOGY CONSORTIUM**

11th NOVEMBER 2009

Information security consultancy Adviza Consultants (Adviza) has become a member of the Security Innovation and Technology Consortium.

The Security Innovation and Technology Consortium (SITC) is an Industry-led, not-for-profit membership organisation dedicated to supporting the development of innovative and technologically sophisticated security solutions, backed by the South East of England Development Agency (SEEDA).

The SITC mission is to help innovative regional businesses win a bigger share of the global market for security solutions. Its vision is to achieve global recognition for the Greater South East as a leading region for innovative security solutions by 2016.

Adviza provides information security assurance, resilience, continuity and related services to both public and private sector customers from its base in Camberley, Surrey.

Piers Wilson, Managing Principal Consultant at Adviza commented:

“The remit and goals of SITC tie in exactly with what we at Adviza hope to achieve; namely to grow our business, leverage market intelligence, gain access to wider markets and customer segments and collaborate where we can with other organisations to deliver the projects and services our customers want to safeguard their businesses.”
